An Interview with Jason Schimpf

Did you know AMAG has a world-class training program? VP Partner Services, Jason Schimpf highlights strategic relationships, the Symmetry Partner Program, eLearning, open systems and why AMAG is always planning for what's next and working towards that vision so when our customers ask, we're prepared to say yes and here's how we'll get you there. Read Jason's article [here](#).

Face recognition and mobile credentials trending in airport access control

As more countries reopen to travel after the pandemic, airports are forced to deal with a massive rise in traffic. This situation has heightened the importance of robust access control solutions. Director of Sales EMEA, Mark Williams shares his expertise in this [asmag.com](#) article [here](#).

Supply Chain, Remote Work & Digital Transformation

These are the top trends impacting enterprise access control installations today. What lies ahead for security integrators working in this space? Director of Media Relations Kim Rahfaldt explains in this [article](#).

Did you know AMAG has a [YouTube channel](#)? Check it out for thought leadership, customer webinars, product videos and more. It's a great place to learn about the Symmetry Security Management System.

Microsoft® Security Updates & Symmetry Systems Requirements

The Microsoft Security Update statements are available on the [Partner website](#). Go to Technical Bulletins/Microsoft Security Updates and look for the October 2022 versions.

Microsoft Security Updates are available for:

- v8.x
- v9.x
- Hosted Systems

These updates document the Microsoft patches that have been evaluated against supported Windows and Server platforms for Symmetry versions v8.x, v9.x and hosted systems. We are no longer updating the V7.0.1 patch testing due to Microsoft withdrawing free OS support.

Holidays

UK Office

December 26, Boxing Day

December 27, Christmas Day (in lieu)

US Office

November 24, Thanksgiving Day

November 25, Day after Thanksgiving
