### Visit AMAG at GSX

Stop by the AMAG booth 2735 at GSX at the Georgia World Congress Center in Atlanta, September 12-14, 2022 to see a sneak preview of:

Symmetry Portal - AMAG's brand new web client featuring identity management (including credential & access assignment), alarm management and more.

Symmetry Enterprise Reporting - A new client providing comprehensive access control reports, the ability to create and view custom reports, and AMAG's Business Intelligence Analytics package, all within the same web client.

Available now:

- Countless new enhancements in Symmetry CONNECT Identity Management and Symmetry GUEST Visitor Management
- Symmetry Control Room will show how advanced alarm response workflows can be unified across multiple security system platforms within AMAG's Command & Control platform.

Visit [gsx.org/VIP](https://gsx.org/VIP) and attend GSX on us when you use promo code VIPGST16. We look forward to seeing you there!

## Microsoft® Security Updates & Symmetry Systems Requirements

The Microsoft Security Update statements are available on the [Partner website](#). Go to Technical Bulletins/Microsoft Security Updates and look for the August 2022 versions.

Microsoft Security Updates are available for:

- v8.x
- v9.x
- Hosted Systems

These updates document the Microsoft patches that have been evaluated against supported Windows and Server platforms for Symmetry versions v8.x, v9.x and hosted systems. We are no longer updating the V7.0.1 patch testing due to Microsoft withdrawing free OS support.
