Visit AMAG at GSX

AMAG Technology invites you to visit our booth 2735 at GSX in Atlanta, Georgia September 12-14, 2022. See what's new with the Symmetry Security Management System.

- Enhanced reporting
- Symmetry / FIPSLink FICAM solution with Identity One
- Many enhancements in Symmetry CONNECT Identity Management

Visit gsx.org/VIP and attend GSX on us when you use promo code VIPGST16. We look forward to seeing you there!

Mark Williams featured in *In the Boardroom*

SecuritySolutionsWatch.com interviewed Director of Sales EMEA, Mark Williams about AMAG's open Symmetry system, supply chain challenges, analytics in a security program and how AMAG approaches cybersecurity. [Read the article](#) and contact Mark at mark.williams@amag.com to learn about Symmetry.

Kami Dukes Shares Security Journey

In the latest SECURE Perspectives column, How Kami Dukes' Globe-Spanning Security Journey Landed Her at AMAG Technology, Dukes' shares how she ended up in the security industry, access control trends and the importance of diversity. The column is part of SIA's Women in Security Forum (WISF). Earlier this year, Dukes was named to the inaugural SIA WISF Power 100 list. [Read the article.](#)

On the RISE: Ernie Velayo Preaches for More DE&I

Business Development Manager, Ernie Velayo was featured in On the RISE, a bi-monthly column by the Security Industry Association (SIA) in partnership with *Security Sales & Integration* profiling the next generation of security industry leaders. This column is part of SIA's RISE initiative, a community that fosters the careers of young professionals in the security. [Read the article.](#)

Microsoft® Security Updates & Symmetry Systems Requirements

The Microsoft Security Update statements are available on the [Partner website](#). Go to Technical Bulletins/Microsoft Security Updates and look for the July 2022 versions.

Microsoft Security Updates are available for:

- v8.x
- v9.x
- Hosted Systems

These updates document the Microsoft patches that have been evaluated against supported Windows and Server platforms for Symmetry versions v8.x, v9.x and hosted systems. We are no longer updating the V7.0.1 patch testing due to Microsoft withdrawing free OS support.
