New Rev B Price List Available

An updated Rev B AMAG price list is now available for download from the [Partner Site](#) for North American and LATAM customers. This replaces any previous versions.

All changes go into effect July 1, 2022.

Rev B includes:

- Pricing increase on select Symmetry GUEST Kiosks
- Addition of the MN-NIC-5 (replacement for MN-NIC-4 and MN-NIC-4-ENC). Transition from NIC-4 to NIC-5 will occur in August.

Original Rev A includes:

- Due to the increasing cost of materials it has been necessary to invoke a 6% price increase on hardware manufactured by AMAG, i.e. panels, Javelin readers, etc.
- Price increase on selected products from Altronix, LifeSafety Power and Zenitel
- New Symmetry GUEST platform software license and configuration part numbers
- Removal of M2150-2RDR-PACK, M2150-4RDR-PACK, M2150-6RDR-PACK, M2150-8RDR-PACK. Individual components that make up the packs are available.
- Consolidate the standalone CompleteView Price List into the video tab of the Standard Price List.

Contact your [Regional Sales Manager](#) if you have questions.

MN-NIC-5-ENC Documentation Available on Partner Site

The MN-NIC-5-ENC replaced the NIC-4.

EMEA and APAC customers will start to receive their replacements in early July with North America to follow.

Configuration instructions have changed and can be found on the [Partner Site](#) for immediate download at Symmetry - Symmetry Access Control - Hardware - NIC-5. Document name is 9600-0747 MN-NIC-5 Module Configuration Guide_v0.4.pdf

Please contact technical.support@amag.com with questions.

New Visitor and Bulk Credential Assignment Enhancements in Symmetry GUEST & CONNECT

The newest versions of Symmetry CONNECT Identity Management and Symmetry GUEST Visitor Management include enhancements that focus on improving the visitor information page, enhanced abilities to edit group visits in GUEST, and the ability to assign credentials in bulk for CONNECT. [Read more.](#)

AMAG in the News

VP of Professional Services, Jeff LeBlanc discusses how his team of technical experts provides a customer-first approach and serves as a special forces unit that helps AMAG's enterprise customers in his [In the Boardroom](#) interview.

Thanks to the pandemic and the digital revolution, mobile credentials and frictionless solutions are becoming the standard when it comes to identification and access control. VP of Sales, Jody Ross provides expert commentary in SDM's article, [*'Easy' Access for the Win With Readers & Credentials.*](#)

IFSEC was held this year in mid-May. It was the first physical IFSEC since the pandemic. ASMAG.com spoke with Director of Sales EMEA, Mark Williams and exhibitors/visitors to see how the show fared in the article, [*IFSEC 2022: Exhibitors pleased with quality of visitors.*](#)

Microsoft® Security Updates & Symmetry Systems Requirements

The Microsoft Security Update statements are available on the [Partner website](#). Go to Technical Bulletins/Microsoft Security Updates and look for the June 2022 versions.

Microsoft Security Updates are available for:

- v8.x
- v9.x
- Hosted Systems

These updates document the Microsoft patches that have been evaluated against supported Windows and Server platforms for Symmetry versions v8.x, v9.x and hosted systems. We are no longer updating the V7.0.1 patch testing due to Microsoft withdrawing free OS support.
