

Elevate Your Security with AMAG Technology's Platinum Program

AMAG Technology's Platinum Program provides a personalized approach, unparalleled support, and resources for customers with complex requirements and deployments. This exclusive program ensures that customers have access to the tools, training, and assistance needed to ensure their Symmetry™ system is operating at peak performance.

✓ **Dedicated Strategic Account Manager**

Platinum partners enjoy a dedicated strategic account manager who delivers a tailored approach to meet each client's unique needs. Continuous communication helps resolve issues before they escalate, ensures the highest level of support, and guarantees product updates and changes are communicated early and often.

✓ **Comprehensive Support and Resources**

Members of the Platinum Program benefit from priority technical support, ensuring rapid response times and expert assistance.

✓ **Commitment to Excellence**

AMAG Technology is committed to a CustomerFirst mindset. Our strategic account managers provide our customers with dedicated attention and expertise, acting as their trusted advisor to implement project plans, provide guidance on future trends, and help manage growth.
